From The Principals Desk

Wow! It has been a very busy and exciting first few days for me at Bullarah Public School. I would like to take this opportunity to thank the students, staff, parents and community for making me feel so welcome.

During this time there have been a number of major changes in our library and classroom. The replacement Connected Classroom has been installed in the library and it will be exciting for students to go on a virtual excursion in the next few weeks. Also the classroom furniture has been reorganised to allow for more interactive lesson participation.

Next week students Homework and Home Reading will start for the term. To assist students, they will need to bring their home reading and homework into school each day so that any problems / questions students have can be addressed.

Finally, on behalf of the students and school staff, we would like to thank Mr. Steve Sampson for all his work at Bullarah and wish him every success in his new posting at the Barwon Learning Centre in Moree.

Pete Baum
Relieving Principal

Hat Reminder

At the end of last term, students took their hats home with them after the Quads Sports day. It would be appreciated if parents can please assist in reminding their children to bring their hats back to school.
