Principal’s Message

Busy, busy, busy seems to be the theme for this term for the students of Bullarah.

State Athletics
Isabelle proudly represented our school at State Athletics in 11 Years Discus and Shot Put. Her results were as follows:

- **Shot Put:**
  - First: 8.11m
  - Second: 7.12m
  - Third: 7.40m
  
  Ranking: 35th in the state for 11 years girls shot put

- **Discus:**
  - First: 16.82m
  - Second: 17.04m
  
  Ranking: 30th in the state for 11 years Girls discus

Congratulations Isabelle on making it all the way to Sydney and representing yourself and our school at the highest level in New South Wales.

Our little school is exceptionally pleased with your effort and results. We encourage everyone in the Bullarah community to congratulate Isabelle on her outstanding effort. Well Done!

Boomi Mini School Camp
Ashja, Ricky, Troija, Jock and Michelle all travelled to Boomi for their annual Mini School at the end of week two.

They had the opportunity to meet up with friends they had made in the past and make new friends from several schools in our area.

All students had a terrific time and particularly enjoyed the science, sporting activities and of course the disco.

Bullarah students were also complemented on their wonderful manners and

The highlight for all staff that went on the excursion was Troija having the confidence to make a small speech in front of over 100 people. Well done Troija!

Our School team also painted a beautiful six part Butterfly picture. This is on display in the school library. Well done kids.

A big thank you to Boomi Public School and their school community for hosting such a fantastic event.
Science in Art and Animation

Over the past two weeks students have had the opportunity to participate in a fantastic range of video conference lessons in preparation for our Canberra visit:

- Learning about science in art. This was really cool especially how colours mix together to make patterns while doing experiments.

- Our second video conference came all the way from Questacon. It was about animation and the different types of animation. We were lucky enough to trial this video conference for other schools and students made their own thaumatrope which was really cool.

Meanwhile in the classroom we are busy learning about Government. Our Canberra display is well on the way to being complete and next week we will be learning about elections. We may have some future politicians at the school.

School Photos

We have managed to take individual shots of students for school photos and Mrs Winter has designed and printed student individual shots. We will try again next week to get a group shot.

Syllabus Changes

Attached to this newsletter is a copy of the parent’s guide for the New NSW Syllabi. If you would like more information or have questions about the change over and implementation of the New Syllabi, please do not hesitate to drop in for a chat.

Finally our Canberra excursion is only a few weeks away and final payments are due by Friday next week.

Pete Baum

Calendar – Upcoming Events

Week 5 – Term 4

Swim and Survive Classes in Moree during School Holidays

From the 7th to 17th of January there are learn to swim classes running in Moree. This is an outstanding opportunity for a School holiday activity that might save your child's life. Please see attached brochures and consider this outstanding opportunity.

Boomi Mini School by Jock

On the 18th of October students, teachers from Bullarah PS went to Boomi to experience new things and meet up with friends.
We left to go to Boomi early on Thursday morning. We went on Graham’s bus. We needed swags, clothing, water bottles and other things.

When we got there we sat down under the cola and waited to do our first activity. After that we had recess. It was really delicious.

That day we join in with 4 activities art, golf, cricket and gymnastics. Then we went to the pool and pushed poor Mrs Hayne in. I think she really enjoyed it because it was so hot!

That night we had a disco. It went for an hour. We played games and had lots of fun. Especially my birthday cake, the candles just wouldn’t go out!

On Friday we did 3 more activates technology, science and tennis.

My favourite thing was the birthday cake and the present from dad and mum on my birthday.

**REPRESENTING AT STATE BY ISABELLE**

On the 16th of October Mum, Dad and I travelled to Sydney for the State Athletics Championships. We travelled by car. We stayed in an apartment for two nights.

To make it away to Sydney I had to
compete in Tamworth Regional Athletics Carnival. I qualified 1st in shot put and 1st in discus.
I competed in the Sydney Olympic Stadium on the 17th of October, where I had to compete in shot put.

I placed 35th in shot put. On the 18th of October I competed in discus. I placed 30th in discus.

On the 18th of October we left to go home after I competed in discus. It was a good experience for me. I had a great time.

EXTERNAL ADVERTISEMENTS AND INFORMATION

Quenching your child’s thirst
In the coming summer months what are the best drinks to prevent dehydration? And do you know the recommended daily intake of water for your child’s age?

Find out the facts:

Asthma action plan
If your child has asthma you want to feel as confident as possible about leaving them in child care. Here’s a checklist on what you need to do, and what you can expect of others. Go to:
