Principal’s Message

We have been planning numerous activities for students for the remainder of the year. Next term we have tennis lessons occurring every Friday with a professional tennis instructor travelling from Moree. Also we will be running Athletics skills to ensure our students are prepared for our carnival.

Our School excursion this year will be to Lake Keepit Sport and Recreation Centre during the Small Schools Week in late August (Wednesday 28th to Friday 30th). The cost for this excursion will be $150 per child. This includes, travel, 3 days of activities, meals and accommodation. A payment plan will come out midway through next term.

Please check that you have received your school kids’ bonus. If you haven’t received this payment and require assistance please do not hesitate to ring the school.

NAPLAN testing for year 3 and year 5 students is coming up next term. We have begun preparations with sample questions been included for all students in daily lessons. The dates for this testing are: 14th to 16th of May.

Finally, more excitement at Bullarah with our Coles Sports for Schools rewards arriving. Have a look at the great items students chose last year. Once again thank you to Moree Coles, the Bullarah and Rowena community and everyone who supported us by collecting vouchers. It was truly an outstanding effort.

HOT FOOD FRIDAYS

Wow! Students are really enjoying hot food Fridays.
Also we have discovered that everyone loves the ice blocks that the P&C has for students for sale. Thanks Kisti for organising this treat. Don’t forget they are $1 each and only available in terms 1 & 4.
Last week we held our P&C meeting and finalised our new winter school uniform. The track suit will cost $60 and orders with payments need to be finalised by the 10th April. We will send out a separate note with specifics about sizes and quantities.

Also we have changed the summer / winter uniform at the school and we will wear our normal school shirts on sports days as well. This means there will be no more red shirts for sport from the beginning of term 2.

EXTERNAL ADVERTISEMENTS AND INFORMATION

Succeeding in science
Encouraging your teen to ask questions and helping them find the answers is top of the list in helping them to succeed in science.

Facts about tutors
Private tutoring to give kids a helping hand in their schooling is a growing business. However, it's also an area where parents can be vulnerable to bogus offers and misleading advertising.

Public speaking

Does your child suffer glossophobia? Fear of public speaking is common. Try creating opportunities for your child to present speeches to the family, without putting pressure on them to perform. Here are some tried and true tips to make your child’s next speech a success. Find out more:

Science starters

Did humans live with dinosaurs? Does the moon disappear in the day? Kids love to know the answers to life’s mysteries but there are a few facts they often get wrong in the name of science. Find out more:
