Principal’s News

What an exciting few weeks it has been at Bullarah. Congratulations are extended to all students and parents who participated at the Quad Sports Athletics carnival hosted by Mallawa Public School this year. A big thank you is also extended to Kisti and Maddison for their help in preparing students for the day.

School Attendance:

Our School is regularly monitored by our Home School Liaison Officer. She will be visiting us again in the next few weeks to check on student attendance. A reminder that school attendance is compulsory. Please do not disadvantage your child by keeping them away from school. If students are unable to come to school, please let us know, the school number is 67 533 111. For prolonged or frequent absences a doctor’s certificate is requested.

Students were treated to two visiting musicians who performed and ran a workshop where they played a variety of percussion instruments. The finished piece of music sounded very exquisite.
