Principal’s News

Students at Bullarah have had a very busy first term with many quality learning opportunities and experiences in all key learning areas. They have all strived to improve and I am very impressed with the efforts of every student.

This term Jock has represented the school in both football and soccer. Jock was very successful on his first attempt at playing at this level and made it to regional trials in both events. Elsie has also represented our school in Horse Sports at Manilla. Both students should be congratulated for their achievements to date. Please take a look in our school library at some of the photos and ribbons.

James our General Assistant has unfortunately taken ill, and has currently taken extended sick leave. Our thoughts are with James and we hope he has a speedy recovery. During his absence, Kisti has kindly offered to fill in and to ensure our school grounds remain well maintained.

Each year schools publish a formal report highlighting the achievement of students and programs in academic, welfare, cultural and sporting areas. We have finalised our 2013 Annual School Report and parents are invited to attend an optional information session which will be held on Thursday at 7:30pm in our school library.

Parents should be very proud of their children and congratulate them for their fantastic efforts to improve in their schooling this term. It just shows that a small school can cater to the needs of all students!

As this is our last newsletter for the term 1, I would like to take this opportunity to thank students, staff, parents and community members for their contributions to our school throughout this term. I hope everyone has a safe, restful holiday and look forward to seeing you for an action packed term 2.

Regards,
Pete Baum

Horse Sports Manilla

Elsie had a lovely time at the Manilla School Horse Sports Day and made some new friends! It was raining nearly all day and was wet and cold!

Elsie did a great job riding Hal, and rode bare back (without a saddle) for the very first time! Elsie’s Equestrian School Uniform looked very smart and Bullarah Public School was mentioned many times throughout the day over the loud speaker whenever Elsie placed in an event.

Representative Football

On Tuesday of last week Jock travelled to Armidale to participate in the Northern football trials. He had previously been selected in Moree to represent the Barwon region at this level.

Representative Soccer

Last Friday Jock Represented our school and the Barwon region in Soccer in Armidale. It was his first time representing at this level in soccer and he should be commended for making it to this level of play. Super effort Jock!
