Principal’s News

Welcome back to all students and families after a great holiday break. I trust that everyone is well rested and ready for a busy term full of academic and sporting activities.

In week 3 of this term, students in year 3 and 5 will sit National testing at school (NAPLAN). This testing is invaluable as it allows teachers to identify further areas where we can assist students to improve with their learning at school. It also gives parents a very good opportunity to see the academic growth their children are having at school.

Starting this Friday students begin tennis lessons with Mrs Margy Buckly and preparations for the upcoming Quad Sports Athletics Carnival will continue on this day as well.

Finally congratulations to all students who have commenced their school work with much enthusiasm again this term.

Looking forward to a terrific term 2,

Regards,

Pete Baum

Hot Food Fridays

Starting this Friday - Annette has kindly offered to heat lunches on Fridays for this term. Please be thoughtful and supply easy things to heat like pies, spaghetti Bolognese, noodles etc. Please remember this is the only day lunches will be heated at school.
