Important Request – Fish Products

One of our students at school has an identified shellfish allergy. To help us reduce risk of an allergic reaction for this student, I ask families to please help us by not sending any fish products (prawns, fish, tuna etc.) to the school site or to school activities.

It is important to note that this is not a ban, simply a request to keep our school safe for all.

Principal’s News

Over the past few weeks there have been a number of new faces in our school and it has been great to see how our school community has made them feel welcome.

Firstly it is with great pleasure that I announce that Garry and Deb Walton have joined us as our new General Assistants. I would also like to take this opportunity to thank Kisti for filling in and caring for our grounds over the past few terms.

This week Jackson in Year 3 and Amara in Year 2 also joined our school. The students at Bullarah are very excited to have some new friends at school. Please take the opportunity to introduce yourself to the Weier family over the coming weeks.

Today we started our kindergarten transition program. It was great to see Phoenix and Hannah come along and have a fantastic day pf learning how to come to school.

On Friday next week, Jock, Troija, Nicole and Shane will represent our school at the Tamworth Regional Athletics. We wish them every success on the day and congratulate them for making it so far.

Finally, I would like to take this opportunity to publicly commend Ashja and Jenson for their exceptional manners while visiting Moree Public School. It was an absolute pleasure to receive three phone calls from other small schools complimenting the boys for their outstanding manners. It is amazing how something as simple as taking of a hat when going indoors (unprompted) can be recognised by so many. Well done boys!

Thanks as always

P & C Message

Please remember to have Monday lunch orders in on the Friday before so all choices are available. Thanks Kisti
On Thursday the 14th of August we went to see John Heffernan (he’s an author), he showed us most of his books and how to make our characters interesting. First we all sat and listened to John talk about his books and how he made them. These are some of his books, Where There’s Smoke, Marty’s Shadow, Spud, Haunted Australia and Naveed.

We then had to write a small story about a character we chose. They were really funny, but Dee had the funniest it was about a lady in a pantry.

At the end of the day we could get a signed book off him if we wanted to, and every time he signed a book he done a little face.

By Casey
On Thursday we travelled to Moree for an Author visit with Gaye Chapman. She showed us her two books: “Precious Little and Little Blue”. They have really good drawings and pictures in them. She explained the pictures and the use of colour to show the audience how the characters feel.

Gaye was really funny and made sure that it was fun for us. Elsie really liked drawing the star and moon picture. Jenson really liked balancing on the tight rope. He thought the pictures they drew looked like Aliens. Ashja enjoyed drawing the moon also and walking on the tight rope. Shelby liked the tight rope and playing the bongos.

Jenson, Elsie, Shelby and Ashja
