“Real humanity is shown when we care for others” - Professor Fred Hollows

The Fred Hollows Foundation is keeping Fred’s vision alive through The Fred Hollows Humanity Award which recognises Year 6 students who follow in his footsteps by showing care and compassion for others.

After three successful years in the ACT the Award is expanding into NSW with the support of NSW Premier Mike Baird.

Teachers, principals, parents and members of the community are encouraged to nominate a compassionate Year 6 student through the online nomination form by August 21. It’s a great opportunity for students to be recognised outside the sporting and academic realm.

All nominees and their parents will be invited to a presentation ceremony in Sydney to announce the NSW winner.

To nominate a student and learn more about the award go to www.hollows.org.au/humanityaward
